

Paddling tour on the River Jongunjoki 2015

Paddling tour on the River Jongunjoki 70 km – 50 rapids and streams – 4 days

The river Jongunjoki is a wilderness river, which flows in its natural state and is very popular among paddlers. During the first 50 kilometres there is no settlement by the river – only maintained landing places, forest lean-tos and shelter cabins. At the end of the tour near the base of Erästely in the village of Nurmijärvi we can already see private houses, summer cottages and farms.

The paddling package includes:

- our canoes or kayaks with the appropriate equipment for 4 days (helmet, life vest, paddle, dry bags and map – for kayaks in addition cockpit cover)
- transport from our base in Nurmijärvi to the starting point by lake Jonkerijärvi 45 km
- safety information and education at our base, during the transport and at the starting place

The price of the package (2 person Canoe):

- group of 2 persons 120,-/person
- group of 3-4 persons 105,-/person
- group of 5-6 persons 100,-/person
- group of 7-8 persons 95,- /person

If you want to hire the equipment for extra days the price is 10,-/day/person and if only 3 days -10,-/day person.

The price of the package (1 person Kajak/Canoe):

- group of 2 persons 140,- /person
- group of 3-4 persons 130,-/person
- group of 5-6 persons 125,-/person
- group of 7-8 persons 120,-/person

If you want to hire the equipment for extra days the price is 15,-/day/person and if only 3 days -15,-/day person.

Paddling tour on the River Lieksanjoki 2015

Paddling tour on the River Lieksanjoki 90 km – 10 rapids – 4 days

The River Lieksanjoki flows from the Russian side of the border from lake Lieksajärvi. The tour starts near a former border guard station Kokkojärvi. During the first 25 km the river flows calmly through the wilderness. There are also lakes by the tour and the 10 rapids of the tour are during 34 km. Near the base of Erästely in Nurmijärvi there is little settlement on the river shores.

The paddling package includes:

- our canoes or kayaks with the appropriate paddling equipment for 4 days (helmet, life vest, paddle, dry bags and map – for kayaks cockpit cover, too)
- transport from our base in Nurmijärvi to the starting point by the river Lieksanjoki 75 km
- safety information and education at our base, during the transport and at the starting place

The price of the package (2 person Canoe):

- group of 2 persons 135,- /person
- group of 3-4 persons 110,-/person
- group of 5-6 persons 100,-/person
- group of 7-8 persons 95,-/person

If you want to hire the equipment for extra days the price is 10,-/day/person and if only 3 days -10,-/day person.

The price of the package (1 person Kajak/Canoe):

- group of 2 persons 155,-/person
- group of 3-4 persons 140,-/person
- group of 5-6 persons 120,-/person
- group of 7-8 persons 110,-/person

If you want to hire the equipment for extra days the price is 15,-/day/person and if only 3 days -15,-/day person.
